MYRCENE	60% OF TOTAL OIL
HUMULENE	10 - 15% OF TOTAL OIL
CARYOPHYLLENE	NO DATA
FARNESENE	NO DATA

DESCRIPTION

TRISKEL'S AROMA IS SIMILAR TO STRISSELSPALT, FROM WHICH IT INHERITED ITS FLORAL NOTES.

HIGH CONTENT OF ESSENTIAL OILS MAKE TRISKEL VERY SUITABLE FOR LATE AND DRY HOPPING, CONTRIBUTING A PLEASANT AND WELL BALANCED BITTER CHARACTER. THE NAME "TRISKEL" WAS INSPIRED BY TRISKELION, THE SYMBOL OF THE GAULS, ANCESTORS OF THE MODERN FRENCH PEOPLE.
